## **Renovations Unlimited Adds Capacity with Project Superintendent**

(Washington, DC) – Renovations Unlimited has named Gerald Williams to the position of project superintendent. Mr. Williams is responsible for coordinating construction projects, working with subcontractors and obtaining all permits and inspections.

“Gerald has more than a decade’s experience as a project superintendent on a variety of projects including luxury condominiums in DC. He’s a great fit for our company and for our brand,” said Julio Murillo, vice president of Renovations Unlimited.

Prior to joining Renovations Unlimited, Mr. Williams was a superintendent at Bovis Lend Lease. While there, he oversaw construction of the 22 West and the 3303 Water Street condominiums and Georgetown University’s Center of Performing Arts. He received a degree in business management from Voorhees College in Denmark, SC. He resides in Washington, D.C.

Mr. Williams is one of three new hires to join Renovations Unlimited and its affiliate Murillo Malnati Group, whom recently broke ground on the Woodley-Wardman condominiums.

Renovations Unlimited is an award-winning residential general contracting firm specializing in high-end historic renovations since 1984. Its affiliate Murillo Malnati Group was established in 2001 when recognized leaders from different fields of the construction and real estate industries joined forces to capitalize on their respective areas of expertise and the opportunities available in the residential renovation and condominium development market in Washington, D.C.

Together the companies have developed more than 30 single-family and multi-family projects across the District in neighborhoods such as Dupont Circle, Logan Circle, Woodley Park, Columbia Heights, Mount Vernon Square, Capitol Hill, Shaw, LeDroit Park and Brookland.
